

## Go Kit & Car Emergency Kit

Use these checklists (along with the Master Emergency Supplies List) as a guide to help you identify (a) what you need to take with you if you have to evacuate your home in an emergency and (b) what you should have in your car at all times. These kits should be packed in a backpack or plastic container. Check each box after you have added that item to the kit.

Go Kit: supplies for 3 days	
<input type="checkbox"/>	Radio with extra batteries
<input type="checkbox"/>	Flashlight with extra batteries
<input type="checkbox"/>	First aid kit
<input type="checkbox"/>	Over-the-counter medications
